VERSE 1

I once was lost
Thinking I could see
Had a heart so dead
There was a void so deep
Searching on my own for something
That met my every need
Everything I tried was empty

That's when You rescued me

CHORUS

We are we are alive in You
Awakened our hope all things are new
Your Spirit is here and bringing us to life, to life
We are we are alive in You
Awakened our hope all things are new
Your freedom is here and in it we're alive
We're alive in You

INTERLUDE

VERSE 2

Your love sought me out
Gave me eyes to see
Everything You are
And all You have for me
Finding out I'm known and wanted
By the maker of all things
Everywhere I turn, You're waiting
Always there for me

CHORUS

INSTRUMENTAL

BRIDGE

Throw off the chains, shame
Nothing's gonna hold us down
Cast out all fear, doubt
The enemy is losing ground
Throw off the chains, shame
Nothing's gonna hold us down
Cast out all fear, doubt
The enemy is losing ground
I'm not afraid, ashamed
You won't ever let us down
I have Your grace, strength
Living in Your freedom now
